## ~ OUR STORY ~

**A FEW YEARS AGO**, we traveled the country in search of inspiration for a great burger. We returned excited with a commitment to create the best tasting burger and the ultimate milkshake for Main Street Burgers and our community. To achieve this, we use only Niman Ranch beef, ground fresh daily, served on custom fresh baked buns with local produce. Our ice cream comes from a small, local, family owned business that creates premium, rich flavors for our hand scooped, thick shakes and unique ice cream sandwiches.
